Creative Writing

A cartoon illustration of a brown house with a red chimney, bare trees, and flying bats, suggesting a spooky or Halloween theme. The house has a steep, dark brown roof and a small, arched window near the peak. A red chimney with a grey base is on the left side of the house. There are two windows on the ground floor: a single-pane window on the left and a double-pane window on the right. Bare, black, spindly trees are in the foreground and background. Three black bats are flying in the sky to the right of the house. The entire scene is set against a white background with horizontal lines.

Creative Writing

Write a scary story. Use your imagination to write the scariest story you can. Choose a spooky environment and a few monsters, or a ghost perhaps. Be as descriptive as possible.

Creative Writing

What if electricity didn't exist? How would you do ordinary things? What would you do for fun? Write how having no electricity could benefit your life. Also describe how it could affect your current life.

A vibrant illustration of a night sky filled with fireworks. Three large firework bursts are prominent: a yellow one at the top left, a green one at the top right, and a pink one at the bottom left. Numerous smaller stars in yellow, orange, and pink are scattered across the dark blue background. A thin white crescent moon is visible in the upper right corner. The overall style is whimsical and celebratory.
